On what other boards have you served: *

None

What charitable or community activities have you participated in? *

Homeroom mother, fundraising.

Brief biography, including educational background, work/volunteer experience, special interests: *

I work in retailing and have been employed in that field for many years. I moved to North Carolina from Mississippi. I have two adult daughters.

People volunteer for a variety of reasons, and it is important to WCCA to understand why our board members volunteer so we are able to keep them engaged in a meaningful way. *

Research tells us that the three primary reasons people volunteer include: Social/Affiliation needs (I want to belong), Ego needs (I want to matter), Altruistic needs (I want to give). No motivation is better than another, and we all may have different motivations for doing different things at different times in our lives. Please tell us why you would like to volunteer for the WCCA Board.

I was honored to be asked to participate. As a Section 8 recipient I hope I can bring some insight to housing that others might not have.

What attracts you to one volunteer opportunity over another? *

I like to serve where I can be of most help.

What do you want to do once you join up? *

Participate as needed

How would you prefer to be recognized for your contributions? *

I'm unclear about this question.

Can you regularly attend board meetings? Meetings are held on the second Thursday of each month at 6:00 pm. No meeting in December. Board Attendance Requirement: Absences must be conveyed before the Board meeting. Attendance at 67% (4 of 6) meetings is required *
