

Contract Transportation Service Available

WNCSource Transportation partners with local nonprofits, government and businesses to provide high-quality contract transportation services that meets their needs and exceeds expectations - at an affordable price!

Our eco-friendly buses are ADA compliant and climate-controlled for a quiet, comfortable ride.

Private contract service with WNCSource Transportation also offers these benefits:

- **Cost-effective pricing:** No fleet, fuel or maintenance expenses - just predictable pricing.
- **Reliable:** Courteous professional drivers and tailored schedules ensure dependable service.
- **Flexible:** Scale services and schedules easily as your needs change.
- **Safe & Compliant:** WNCSource handles the insurance, maintenance, personnel and safety regulations.

Call us today to discuss how we can help streamline your transportation needs so you can focus on what matters most!

Empowering people, transforming lives

Transportation Services

WNCSource Transportation assists people with limited or no access to regular, reliable transportation.

In addition to our regular public transit routes, we offer transportation to work, shopping, medical, education, civic, and other destinations across Henderson County, as space allows.

Learn More

Transportation opens up opportunity, reduces isolation and connects people to their community. We often take it for granted until we no longer have access to it.

We Keep Henderson County Moving!

Same-Day/Next-Day

Need a lift to get to an appointment? Same-Day/Next-Day service helps residents of all ages get to their general, business and/or medical-related appointments. Our comfortable vans provide trips to a variety of Henderson County destinations five days per week.*

Elderly and Disabled Transportation Assistance Program (EDTAP)

Our accessible vehicles provide local trips for Henderson County residents 65 years or older and/or those with a disability. We offer no-cost transportation service five days per week.*

Home & Community Care Block Grant - Medical

WNCSource provides transportation to Henderson County seniors (60 years or older) to help them get to/from doctor offices, health clinics and hospitals, five days per week.*

Home & Community Care Block Grant - Shopping/Grocery Routes

Henderson County residents 60 years or older who live in qualifying areas are eligible for transport to various stores once a week for grocery shopping. Where you live determines the day of the week you are eligible to shop.*

Senior Community Dining & Light Shopping Program

WNCSource partners with the Council on Aging of Henderson County to transport residents 60 years or older who participate in the Senior Community Dining program to various stores for a little light shopping before going to the congregate meal site for lunch and entertainment.*

Rural General Public (RGP)

Live outside the city limits but still need a ride? People who live in qualifying areas of Henderson County can call and request transportation on one of our vehicles.*

Apple Country Public Transit (ACPT)

WNCSource operates Public Transit service in Henderson County, M-F from 6:30AM to 7:30PM. With three routes running every 60-90 minutes, ACPT offers connecting service to Asheville's Transit system at the Asheville Regional Airport. Routes & times subject to change.

ADA Para Transit Services

A complimentary service of ACPT that provides safe, reliable, shared-ride public transit services for eligible persons with disabilities located within 3/4 mile of the ACPT bus routes.

**Initial registration with WNCSource Transportation is required. Once qualified, just call 1-2 weeks in advance to schedule your trip.*

Most WNCSource Transportation Services are provided free of charge; however, donations are greatly appreciated and help keep us rolling! To support better transportation here in our community, visit WNCSource.org/donate to give a neighbor a lift!
